

# CURVARE DESK CHAIR

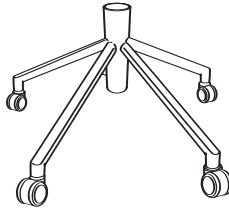

The unusual shape of the Curvare Desk Chair is more than just aesthetically pleasing. Its curvaceous shape is designed for comfort, whether you're short, tall or in between, making this the ideal chair for meeting rooms and extra guest seating. The full-grain leather seat and adjustability of height, tilt and tension are amenities that add to Curvare's astonishing comfort. The five-star base rolls easily over hardwood, tiled and carpeted floors.

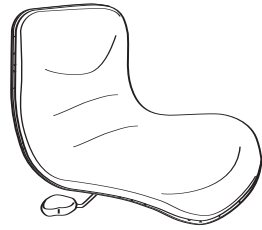

## ASSEMBLY

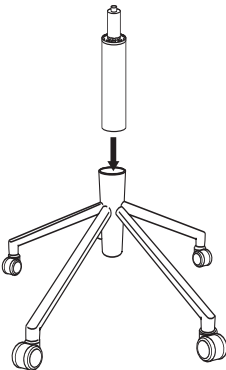

Pneumatic  
cylinder

Base

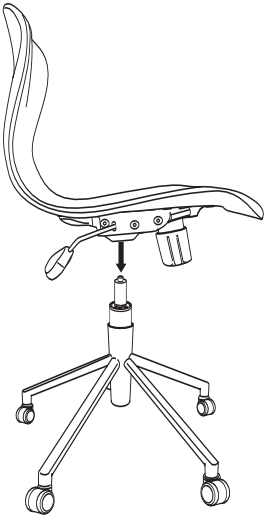

Chair

- 1** Set the base on the floor and place the wide section of the pneumatic cylinder into the base first.

## ASSEMBLY

**2** Align the center hole of the chair bracket (located in the underside of the chair) with the pneumatic cylinder, and push down to make sure the two pieces align properly. Carefully sit on the chair and gently bounce on it to fully set the seat in place.

**To adjust height:** Sit in the chair and pull up on the release lever. Once you reach the desired height, release the lever. Adjusts from 17½" to 21".

**Tilt limiter:** To prevent the chair from tilting back, push the release lever in toward the center of the chair to lock; pull out to release.

**To clean:** If you spill a liquid on the leather surface, blot off the excess immediately with a clean cloth or sponge and allow to air dry. Do not use abrasive substances such as saddle soaps, furniture polishes or ammonia. If necessary, use clean water only. Avoid prolonged exposure of leather to direct sunlight or heat.
