Your floor lamp will come in two boxes, one for the shade and one for the base (including the illuminator reflector).

Assemble the floor lamp.

1. Remove the lamp, illuminator reflector and shade from the packaging.
2. Prepare the illuminator reflector by unscrewing the three knobs at the top of the reflector. The stabilizing ring should be left in place on the illuminator.
3. Slide the illuminator reflector onto the center socket all the way. Secure the reflector to the socket by tightening the set screw with the allen wrench provided.
4. Place the arms of the fabric shade into the gaps revealed after removing the knobs.
5. Tighten the knobs on the reflector to secure the fabric shade.
6. Install the bulbs of your choice (not included).
Side Bulbs (3 each): Medium Edison Base, max. 100 Watts ea.
Illuminator Bulb: 3-Way, Medium Edison Base, max. 150 Watts.
7. Your lamp is now operational.

Care Instructions

Use only a soft, dry cloth to clean. If necessary, a slightly damp, soft cloth can be used to spot clean. Do not use common household cleaners on lamps or fixtures, as the lacquer on the outside of the brass may be damaged as a result.

ASSEMBLY INSTRUCTIONS FOR

Shaded Floor Lamp No. 2545
